

Expression of Interest Template - Energy Supply

Template for preliminary institutional supply inquiries and procurement discussions.

Purpose

This template is intended to support preliminary commercial dialogue regarding potential LNG, LPG, or refined petroleum product supply programs. Submission of this form does not create any binding obligation.

Required Information

Field	Description
Buying Entity	Name of ministry, national oil company, state utility, or corporate buyer
Product	LNG, LPG, EN590 Diesel, Jet A1, HSFO, Gasoline 95, or other specified product
Quantity	Indicative cargo size, annual volume, or program size
Delivery Basis	FOB, CFR, DES, or other required Incoterm
Destination Port	Discharge port / terminal and target delivery window
Pricing Framework	Indexed basis, tender format, or commercial preference
Compliance Documents	KYC package, buyer profile, and procurement authority details

Submission Note

Please submit complete inquiry details to corporate@qurais.com and imran@qurais.com. All discussions remain subject to compliance review, counterparty approval, and mutually agreed contractual terms.
